

Things to do within the Tip of Borneo area

- **Snorkeling**

You can explore the tropical waters in front of Hibiscus Beach Retreat and snorkeling equipment is available to use for free. Organised snorkeling trips to a nearby island are available.

- **Scuba Diving**

Go Scuba diving with a PADI certified dive master. Discover Scuba Diving courses available. Includes all equipment.

- **Surfing and Body Boarding**

At certain times, the beach at the Tip of Borneo is a great place for surfing. Equipment can be hired from an outlet at the Tip of Borneo.

- **Mountain Biking**

A great way to explore the local area. We have 2 mountain bikes available for rental.

- **Jungle Trekking**

Get out and enjoy an early morning jungle trek. A number of trails have been set up within easy reach from Hibiscus Beach Retreat and a guide can explain the different medicinal and edible plants on the way.

- **Mangrove River Cruise**

A chance to see proboscis monkeys and other mangrove creatures in a very unique environment. Enjoy the sights and sounds of a superbly relaxing adventure, about a 10 minutes' drive from Hibiscus Beach Retreat.

- **Fishing**

Head out to the South China or Sulu Sea on a small boat with an experienced local.

- **Jungle Survival Course**

An instructor takes you through the basics of survival, teaching you the necessary skills you will need to survive in a jungle environment.

- **Overnight Stay in the Jungle**

If you want to experience a night in the jungle, this is the perfect opportunity. Trek for 3 hours before setting up your hammock right next to a stream with a great pool to swim / wash in. Cook your own dinner.

- **Rungus Museum**

The traditions and culture of the local Rungus people can be explained by a visit to a recently opened museum.

- **A Day with a Local**

If getting to know how the local Rungus people live, work and survive is of interest to you, why not spend a day or half day with a local. Activities can include rice planting, rubber tapping, foreshore seafood foraging, rice de-husking, collecting coconuts, preparing coconuts for selling, fishing with hand nets. All activities are seasonal and dependent on the locals being able to take you with them.

- **Massage and Spa Treatments**

Pure relaxation at Hibiscus Beach Retreat!

*Organised activities are via a third party provider and subject to availability.

Things to do within a 30 minutes drive from Hibiscus Beach Retreat

- Visit even more beaches, just as beautiful and secluded as the ones by Hibiscus Beach Retreat
- Visit the daily market in Kudat to experience the amazing colours and smells of the exotic fruit and spices. On Sundays, a visit to Sikuati's handicraft market is a must!
- Wander around the bustling fish port and **market** in Kudat
- Learn about the area's culture by visiting traditional **long houses**, **temples** and the nearby **gong village** at Matunggong.
- Play golf at the Kudat Golf and Country Club

The rest of Sabah*

- Trek to the 4,095 metre (13,435 feet) summit of **Mount Kinabalu** and await the magical sunrise or take one of the many less challenging guided trails within the national park
- **Scuba dive** some of the best dive sites in the world, including the famous Sipadan Island
- Unwind at Poring Hot Springs
- Enjoy a morning with the Orang Utans at the **Sepilok Orang Utan Sanctuary** or the Shangri-La's Rasa Ria Resort.
- Take a river cruise down the **Kinabatangan River** and catch sight of proboscis monkeys, orang utans, pigmy elephants and juvenile crocodiles
- Watch the skilled harvesters at the **Gomantong Cave**, described by the WWF as the 'best-managed edible birds' nest cave in the world'

- Go **white water rafting** down the Padas or Kiulu River

*The majority of the rest of Sabah activities are not suitable as a day trip from Hibiscus Villa. You will need to incorporate these as part of your overall holiday. We can help you arrange excellent tours through our affiliated inbound tour operator.
